

如願以償 Got My Wish

Rev. Norman Chan

被疫情封鎖了兩年，無法探望在柬埔寨的密匠中心；在2023年的新年，終於能夠如願。

很高興見到孩童們仍舊一貫的天真爛漫及熱情，雖然兩年沒有與他們見面，但孩子們很快就與我們交流及玩耍起來。我更高興見到各位同工仍是熱心服侍、謹慎作主的工，尤其是Almond姊妹，她專心一志去策劃及領導事工。這群忠心的天國工人，默默地耕耘這片土地，真是值得欣賞。感恩今次到訪能在聖經上造就各同工，使他們在事奉上加添信心。

只是，我今次探訪密匠中心有一個遺憾，就是只能夠與家人同往，不能與弟兄姊妹到密匠服侍。因為往年參與訪宣的弟兄姊妹，無論成年人或兒童，都在過程中深深被感動；在自己靈命、生活上有不少的反思，對宣教工作也產生了興趣，願意更多關心及投入。那次訪宣體驗所帶來對生命的影響，實在無價。因此，我已經大膽地預定了明年初的檔期，盡力組織訪宣團隊來柬埔寨體驗這項宣教的工作。

Prevented by the epidemic for two years, I was unable to visit Metta Centre in Cambodia but in the new year of 2023, I finally got my wish.

I am very happy to see the children are still innocent and enthusiastic. Although we have not seen them for two years, the children communicated and played with us quickly. I am glad to see that all the co-workers are still serving zealously and doing the work of God cautiously. Especially Almond, who is dedicated to planning and leading the ministry. I really admire the contributions made by these faithful workers of heaven silently on this land. Thank God for giving me a chance to cultivate all the co-workers through the Bible and to build up their confidence in serving.

Regrettably when visiting Metta Centre this time, I went with my family so I was unable to serve at Metta with my brothers and sisters in church. The brothers and sisters who participated in the mission trips in the past years, no matter adults or children, were deeply touched during the process. They had a lot of reflections on their spiritual and daily lives, and they also became interested in mission work, willing to care and eager to participate more. The impact on life brought about by that visit and mission experience was really valuable. Therefore, I have boldly booked a schedule for the beginning of next year in aim to try my best to organize a mission team to experience this missionary work in Cambodia.
